- Congrats on getting 3rd place for poster at AMS! Make sure if you weren't able to attend the virtual conference this year that you plan for the future. It was my favorite part of being in AMS and a great networking experience!
- Consider running for a cabinet position! I was asked my freshman year to run and that is how I ended up getting so involved. Plus, it looks great on resumes (several people asked me about it when I was interviewing for jobs).
- Keep on looking for internships. I know it's tougher this year than normal, but any experience is helpful!
- Feel free to reach out if you need anything!

Zach McDaniel

- ★ His favorite weather phenomena is purple lightning
- ★ His favorite sport is bowling
- ★ His favorite sports team is the Dallas Stars
- ★ A cool experience Zach has had with weather is that he saw a waterspout over Lake Manawa in Council Bluffs
- ★ Spirit Animal: A crow, because I like them and they always seem to have some tricks figured out to do stuff easier.

Erin Brunsen

- ★ From: Iowa Falls, Iowa
- ★ Favorite Kind of Food: Italian
- ★ If Erin could be anyone for a day, Erin would be a professional media photographer because a lot of the news stories that they cover are very interesting and the images that are captured are amazing. It would definitely be a tiring job both physically and mentally with some of the things that they encounter.
- ★ Erin's favorite weather phenomena are tornadoes
- ★ Erin's favorite sport is baseball
- ★ Erin's favorite sports teams are the Vikings and the Chicago Cubs
- ★ Erin's coolest weather experience was a microburst

- ★ Spirit Animal: A sea turtle. I think they are so majestic and calming. I think I also say this because they are one of my favorite animals. I would love to see one in the ocean while snorkeling one day.
