Subject: AMS at ISU FundISU Campaign Launch

Greetings!

I hope this email finds you well. I'm reaching out to you, because the student organization that I am a part of, American Meteorological Society (AMS) at Iowa State University, is holding a fundraiser. It launched on Monday, January 27 and will be active for four weeks. The funds that we raise will go towards the travel and lodging expenses for our members attending the annual National AMS Conference in Houston, TX conference will provide our members with incredible networking opportunities with both other students and professionals. Our members will also get exposure to many different types of career fields that could heavily influence their career decision, and even land job opportunities upon graduation. I'm asking you to donate today so that our members can afford to attend and take advantage of the amazing opportunities this Conference will provide.
