### **President - Queen of springtime sadness**

- How this is going to go:
  - Hopefully you read through the nominee questionnaires
  - We will bring up all the candidates and ask them questions (audience gets one question)
    - President and VP candidates get some time for a speech
  - They will go into the hall, we will discuss and vote
  - Candidate needs >50% of the votes to win
  - Non-elected individuals will be allowed to drop to another position (up to three positions)
- Some comments on questions and discussion:
  - All questions must be relevant and on-topic. Questions which are deemed to be otherwise will be dismissed.

- For discussion, please think before you speak, but you may say anything within reason. Personal insults are strictly forbidden and likely will come back to bite you.
- All question and discussion sessions will be timed, with times varying for different positions. Once the time is reached, discussion must end.
- If any person is running unopposed for a position, they will not be asked to do a question and discussion session for the sake of time.
- As President, I will be abstaining from discussion to avoid bias.
