- Attend the NWA conference! As the in-person portion of the AMS Conference was canceled, this is a great way for everyone to attend a conference in-person, and have opportunities for networking and getting to know the Central Iowa NWA!
- If you're an underclassman, consider running for a cabinet position. It looks great on a resume, isn't too much time commitment (for lower positions), and will help you feel more connected to the university and AMS.
- Good luck with the spring semester and midterms as those are approaching!
