 - Take advantage of the many resources available for you at ISU and within meteorology!
 - **Learning Community Tutoring with Stefan!**
 - Check weekly AMS and department emails for times.
 - Supplemental Instruction - Held in-person - [Link to SI website](#)
 - This can be an amazing resource for classes outside of meteorology. Unfortunately, the structure can often change, but I still highly recommend seeking this resource if you are struggling in any classes that offer SI.
 - Designed for difficult classes like MATH 165/166, CHEM 163, PHYS 221, etc.
 - Tutoring - Held in-person - [Link to tutoring website](#)
 - Costs \$7.50 dollars per session, meet at consistent times twice a week in groups of 2-5
 - Another great resource provided by Iowa State
 - EWF Learning Community Tutoring With Stefan

- Check the weekly AMS emails for times and locations!
 - [Academic Success Center](#)

- **AMS Review Sessions**
 - It is about to get busy!
 - **Please let me know in advance when your exams are coming up** or a difficult topic just covered and would like a review session, otherwise, I won't know when to schedule them.
 - If no one in a class inputs the exam date I have no idea when the exam is, unless I am notified in another way, so make sure to put in those exam dates!
 - For updates on review sessions, [sign up!](#)
 - **If you do not sign up:**
 - ***You won't get any polls sent to you!***
 - ***You won't be notified when review sessions are being held!***
